

PRESS RELEASE

Minister Vouridis visits the DODONI booth at the Anuga International Food Fair

This past Wednesday at noon, The Minister of Rural Development and Food Mr. Makis Vouridis was given a warm welcome at the large, Epirus-themed booth at the 2019 Anuga International Food and Beverage Fair by the management of DODONI, the dairy-product company from Epirus.

The Minister greeted the President of the company's Board of Directors Mr. Michael O'Neil.

During the course of his visit, Minister Vouridis was informed about DODONI's important export activities by the Managing Director Mr. Tom Seepers. He was also briefed by the Deputy Managing Director Mr. Michalis Panagiotakis on the challenges of the sector in general and on the damages anticipated by companies in this field due to additional tariffs – if they are eventually levied by the United States – on goods exported from the European Union, including feta and yoghurt.
