The Company won Gold & Silver awards!

DODONI was awarded as one of the most dynamic export companies in the country for the second year in a row at this year's Greek Exports Forum & Awards, reflecting its successful growth and dynamic abroad.

In particular, the company received a **Gold Award** for the export of the famous PDO Feta DODONI as "**Top Branded Export Product**," as well as a **Silver Award** for the categories "**Top Greek Export Company**" and "**Top Innovation in Exports**."

These new distinctions recognize DODONI's significant export activity, which now has a presence in more than 50 countries worldwide, serving as a proud ambassador of Greek gastronomy and Greek goods on a global scale. Mr. Vassilis Vrochidis, DODONI's Export Manager, commented about the awards: "*These distinctions are extremely significant for us, and this is because the export activity is a highly dynamic aspect of DODONI. We have successfully been transferring the original Greek taste of our products to over 50 nations throughout the world for over a half-century. With the continued expansion of our export activities and worldwide partnerships, we continue our work with the same zeal, with the main focus of excellent quality and amazing flavour, which distinguishes us in both domestic and international markets.*"
