PRESS RELEASE

**DODONI choco milk comes in a new, renewed packaging.**

*The popular DODONI fresh milk with cocoa is already available in the market with a renewed, dynamic artwork*

The popular DODONI milk with chocolate is now available in supermarket refrigerators in the convenient package of 0.5 liters, with a new look and the same incomparable taste that is loved by both children and adults!

Whilst maintaining the characteristic chocolate colour, the new beautiful look of DODONI milk with cocoa comes to highlight its originality, combining a modern and delectable art that dominates its packaging with the timeless logo and the company's trademark red colour in a very innovative way.

DODONI milk with cocoa is made from skimmed, 100% fresh Greek milk sourced daily by 5,500 Greek producers in 514 villages of the country, ensuring a superior flavour while retaining all essential nutrients.

Discover now the new renewed packaging of DODONI milk with cocoa and enjoy your favourite milk at any time of the day, wherever you are!

Starting from Epirus, DODONI has been delivering the Taste of Good to thousands of customers every day for 58 years, who choose it for its authenticity and high quality, producing 100 different products. At the same time, the company invests heavily in expanding its product line to keep up with contemporary trends and nutritional requirements.
