

PRESS RELEASE

Discover the traditional Galotyri DODONI

Now also available in a 375g pack, for daily enjoyment with low calories

DODONI, the leading dairy company of Epirus with a long history in taste, the Taste of Good, is now launching the traditional **Galotyri DODONI in a new, modern 375g pack** in addition to the 1kg one, for daily enjoyment with low calories.

Galotyri DODONI is a favorite Epirus cheese and a **Protected Designation of Origin (P.D.O.)** product of exceptional quality and high nutritional value. It is prepared from **100% Greek pasteurized sheep and goat milk based on the authentic Epirus recipe** and is distinguished by its thick, creamy texture and slightly acidic, pleasant and fresh taste.

With only **10% fat**, it combines all the nutritional properties of yoghurt with the rich, savory flavor of cheese and is the ideal choice for those who follow a balanced diet as well for fans of creamy cheeses, as it can be consumed any time during the day – to accompany meats, as a spread on hot bread or added to salads and soups for even greater taste.

The **traditional Galotyri DODONI** is available in **375g and 1kg packs that come with a new, modern visual design of strong local character** that perfectly reflects the values of DODONI dairy industry to offer a unique and authentic tasting experience.

The **traditional Galotyri DODONI** can be found in selected retail shops all over Greece.

True to its values regarding the production of pure, traditional dairy and cheese products, DODONI is steadily expanding its portfolio of products, focusing on consumer needs and constantly offering new dietary products of incomparable quality and authentic taste.
