For the third consecutive year, DODONI had the honour to participate as golden sponsor at the prestigious “Toque D’ Or” award ceremony, held at the iconic Grande Bretagne Hotel on Monday, September 11.

This year's awards ceremony showcased the culinary expertise of Greece's top 11 chefs, selected through a vote organized by ‘Athinatorama’ magazine, with the participation of more than 200 chefs of renowned skills and high prestige.

DODONI took centre stage with its exquisite and multi-award-winning PDO Feta as the main ingredient for this year's menu. The fusion of DODONI PDO Feta with the gastronomic know-how of the acclaimed chefs created a memorable culinary experience that captivated the senses of all the attendees.

Vicky Papoutsaki, Marketing Manager of DODONI, stated: “We are proud to be sponsoring this awards ceremony for another year. Our collaboration this year was of particular significance, as we focused on highlighting the excellent taste of DODONI PDO Feta. The ‘pairing’ of our feta with all the culinary creations on the menu was proof of our commitment to bringing Greek gastronomy to the fore. We are fully dedicated to preserving the rich gastronomic tradition of Greece, whilst embracing innovation. We believe in the use of high-quality ingredients to highlight the power of gastronomy!”
