Top awards for DODONI at the Great Taste Awards 2022

Some of the company's most popular products were entered in the competition and received great reviews

DODONI won a total of **7 gold stars** for its exceptional products in this year's **Great Taste Awards**, one of the largest tasting competitions, in which hundreds of entries from all over the world take part each year.

Continuing the company's a long-standing focus on creation of products that stand out for their unique flavours, the 'Taste of Good', **DODONI won distinctions yet again this year, receiving great reviews** for the emphasis given to the creation of top quality products with high nutritional value.

More specifically, the company received gold stars for three flavours of the new snack crackers from **DODONI, Heavenly Cheese Thins** (Feta-Tomato & Oregano, Feta- Jalapeno Chilli, Halloumi-Caramelised Onion), and the internationally-recognised and award-winning **PDO (Protected Destination of Origin) DODONI Feta**, as well as **DODONI Halloumi, DODONI Goat Cheese** and **DODONI Kefalograviera (traditional Greek hard yellow cheese)**.

It is noted that over the last 9 years, DODONI has received more than **50 different awards and distinctions** from both Greek and international organisations that promote and reward high quality and exceptional flavours in the food industry.

The Commercial Director of DODONI, Mr Giorgos Avgerikos stated: *"We are delighted and proud to receive this distinction from such an important institution as the Great Taste Awards. At DODONI we remain constantly aware of the needs and preferences of modern consumers, and we have accordingly managed to offer a wide variety of pure dairy and non-dairy products, which represent the combination of authentic flavours and high-quality ingredients with the most modern production methods and a continuous drive for innovation."*
