PRESS RELEASE

DODONI sponsors children's Pre-Juniors Bambini championship for 5th straight year

For the 5th consecutive year, **DODONI** dairy company is sponsoring the “**DODONI Pre-juniors Bambini 2019**” Ioannina football championship for children, staged annually by the Epirus Football Clubs Association.

Featuring more than 500 children 5-9 years-old from local sports academies in Epirus and the unique taste of DODONI - the “Taste of Good”, this year’s football championship will be held 21-23 June at the Soccer World pitch at the 6th km of the Ioannina-Athens National Road.

Once again, the young footballers will be competing in the spirit of fair play in a sporting event full of action, a positive attitude and plenty of goals, aided by fresh DODONI chocolate milk to fill them with energy and smiles. At the end of the competition, the young participants will receive certificates and medals, provided by DODONI dairy company.

Having made the local community of Epirus a central priority, DODONI is an active social partner that consistently supports local initiatives and sporting events, as well as non-profit groups and foundations carrying out important community work. At the same time, by maintaining the largest milkshed in Greece with more than 5,500 producers, DODONI is a key supporter of the local economy, employing more than 450 people.
