PRESS RELEASE

DODONI to support farmers affected by bad weather conditions

Dairy company DODONI, supports farmers stricken by recent bad weather conditions and decided to minimize payment time for February's milk purchases.

Thus today, the company proceeded to extraordinary bank deposits, to the bank accounts of its milk zone farmers, in order to support the rural economy of the region in practice

Moreover, the Company's scientific personnel are at farmers' disposal in order to cope with all issues in the most optimum and efficient way.

Deputy CEO at DODONI, Mr. Michail Panagiotakis stated: "We feel that it is our duty and obligation to show our support and assistance in practice to the Company's farmers - our partners, who were affected by the extreme weather conditions."
