

## DODONI in Athens Street Food Festival 2022

The Athens Street Food Festival opens its doors to all foodies on Friday, May 6.

This May, the Athens Street Food Festival returns to the Amaxostasio of OSY in Gazi, bigger and better than ever before, for the four weekends of May (6-8, 13-15, 20-22, and 27-29).

DODONI will be part of this delicious event for another year, and its goods will make the experience even more enjoyable. More specifically, it will give its flavour to the ultimate comfort food, mac 'n' cheese, a favourite of both young and old. This year, **visitors to the Mac 'N Cheesus stand** will have the opportunity to taste the city's most delicious Mac' N Cheese, made entirely of Greek DODONI products known for their quality and authentic flavour!

Furthermore, Stavros Varthalitis and Gabriel Nikolaidis, our beloved DODONI Lovers, will be hosted at the **Mac 'N Cheesus stand**, on Saturday 14/5 at 16:00 and on Saturday 28/5 respectively, **where they will greet the public, talk with them and cook live for all those present.**
