

New cooperation agreement between DODONI and the Greek Agricultural Organization EL.GO DIMITRA

DODONI offers 30 tonnes of fresh milk for educational needs of the Dairy School of Ioannina

DODONI and the Greek Agricultural Organization EL.GO DIMITRA proceeded to further expansion of their cooperation, substantially supporting the research and educational work implemented at the Dairy School of Ioannina.

More specifically, DODONI will provide 30 tonnes of Greek milk until the end of 2016, fully covering the educational and research needs of the School's students.

This partnership is the continuation of the cooperation protocol signed in October 2014 between DODONI and EL.GO DIMITRA, which concerned DODONI's support to the Milk Institute of Ioannina for a new products research and development project .

Loyal to the values it represents, DODONI, the leading dairy company of Epirus with 53 years of tradition and history, continues to consistently support the local community, collecting daily 100% Greek milk from more than 5,000 farmers in the region of Epirus, while the company also invests in the further development of the Greek dairy sector and education of young people who wish to follow this career.

The CEO of DODONI, Mr. Tom Seepers stated: "It is a great pleasure and honor for us to support, in every possible way, institutions and organizations like EL.GO DIMITRA and the Milk School of Ioannina, which are linked to the Greek dairy sector and the Local community of Ioannina. This sponsorship comes to seal DODONI's sincere commitment to young people and their education, aiming to create and enhance remarkable Greek scientists who will develop even further the Greek milk production"

The CEO of EL.GO DIMITRA, Mr. Thanasis Kaprelis stated: "With great pleasure and satisfaction we are accepting DODONI's proposal for cooperation with EL.GO. DIMITRA. DODONI historically, is the company that has supported animal breeding in Epirus region and today is the Greek cradle in all international markets, holding one of the leading positions in the exports of branded dairy products. We believe that this partnership will be beneficial not only for the Dairy School of Ioannina, but also for the general production of high quality dairy products in Greece.

###

A few words about DODONI

DODONI SA was founded in 1963. With 52 years full of authentic tradition and history, the Company based in Ioannina, produces authentic, purely Greek dairy products, using 100% Greek cow, goat and sheep milk collected daily from a wide network of 5.000 farmers exclusively from the Epirus region. With more than 10.000 selling points in the domestic market and significant export activity in 35 countries around the world, DODONI produces 9 categories of dairy products in 80 different SKUs, unique for their taste, quality and 100% Greek identity.

A few words for the Greek Agricultural Organization EL.GO. - DIMITRA:

Main objective of EL.GO – DIMITRA is to develop and support actions aiming the modernization and development of the Greek agricultural sector, the improvement of the production processes, the enforcement of competitiveness, the certification of quality agricultural products & foods, the establishment and certification of proper agricultural practices and the controls in entire production and distribution chain of milk.
